A SAFE HAVEN, L.L.C. Proudly announces that Skip Land, COO of A Safe Haven L.L.C. is the recipient of two prestigious awards this month

Chicago, IL September 28, 2004—A Safe Haven L.L.C. a leading provider of recovery home services is proud to announce that Skip Land, COO of A Safe Haven L.L.C. has been recognized for his efforts on behalf of A Safe Haven, L.L.C. in promoting the mission of “continuum of care” for the treatment community.

On September 18th 2004, Skip Land received an award by Congressman Danny Davis on behalf of A Safe Haven’s volunteers in the Treatment on Demand initiative. A Safe Haven’s efforts rendered over 26,000 signatures for this initiative by far the leading gatherer of signatures required to put this issue on the November ballot as a referendum that will read as follows:

“Shall the Illinois State Government provide adequate funding for comprehensive and appropriate substance abuse treatment for any Illinois State resident requesting services from a licensed provider, community-based organization or medical care facility within the State”.

This issue resonated with A Safe Haven volunteers and inspired many of our management, staff, residents and former residents to reach out in support of what may be for many a life altering opportunity, as well as Illinois best defense against rising issues in alcoholism and addiction related crimes. On September 21st 2004, Skip Land also received the Keith Keesy Award from IADDA for his leadership and advocacy for the clients and community based substance abuse programs in Illinois.

On receiving the well-deserved recognition Skip Land states that while he has received many national accolades for his accomplishments on a national level, “it is always special to be recognized by those in the State that you live in”.

A Safe Haven L.L.C. has been the subject of a past study and the recipient of many accolades by leaders in the field and leaders in government for their vision, unique model and approach to recovery that together with the treatment community and faith based programs achieves the highest success rates in recovery.
